Profile

Currently an active duty supply officer in the US Navy, in the process of transitioning out of the military, into a civilian career. Seeking a managerial position in the logistics or aviation industry in hopes of utilizing the leadership experience of leading several supply divisions under a challenging environment. Also seeking educational opportunities to further develop professional expertise in a technical subject.

Experience

SUPPLY/LOGISTICS OFFICER | U.S. NAVY | JANUARY 2020-PRESENT

- Lead 30+ sailors in the logistics and management of US Naval Assets
- Managed cradle to grave tracking of million dollar components, and the overall accountability and financial responsibility of nearly 100 million dollars in government funds and assets
- Sales Officer: Managed ship's retail operations, to include ship's store, barbershop, and laundry services
- Postal Services: Supervised postal operations to include handling and management of over 5000 packages, 2500 letters, and 1000 Registered letters and packages
- HAZMAT: Primary manager for Hazardous material control, inventory, and waste disposal
- Disbursing Officer: Responsible for managements and accountability of \$100,000, 1300 US Treasury Checks, and 500 Navy Cash cards for Ship's Crew

AIRPORT OPERATIONS SPECIALIST | HOUSTON AIRPORT SYSTEM | JANUARY 2019 – JANUARY 2020

- Assist in the day-to-day operational activities to ensure the safe and seamless flow of customers using airport roadways, terminals, and commercial transportation operations
- Conduct commercial vehicle inspections and regulatory investigations
- Maintain a safe and efficient airport environment for passengers and personnel by conducting landside inspections, regulatory investigations, and emergency response and security activities
- Report unsafe conditions and policy/procedure violations to the appropriate personnel and takes corrective action as needed
- Support operational activities and maintains order during aeronautical-related emergencies, following the Airport Emergency Plan and other airport rules and regulations
